United States Patent and Trademark Office  
Electronic Filing - Patents

**Re:** In re Application of Susanne Binder, *et al.*  
Application Number: 10/530,164  
Filed April 4, 2005, Confirmation No. 5602  
Entitled: Retinal Pigment Epithelial Cell Cultures  
on Amniotic Membrane and Transplantation  
Examiner: Kim, Taeyoon  
Art Unit: 1651  
Attorney Docket No. 34157-707.831

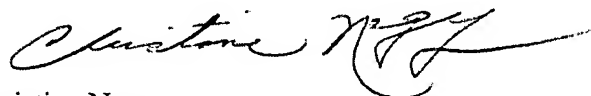

To Whom It May Concern:

As per my phone conversation today with the Electronic Business Support (Patent) 800 Helpline, I have been advised to re-file the one-page **Notice of Appeal** from the Examiner to The Board of Patent Appeals and Interferences as I inadvertently neglected to sign the certification in the upper left-hand corner. The filing time this morning was 14:33:25.

The Helpline customer service person assured me that re-filing the one-page **executed** Notice of Appeal electronically with an accompanying explanation letter would suffice. Please call me if we need to do anything further to clarify the error. Thank you.

Sincerely,
